Congresswoman **Linda Sánchez** Expanding The American Dream In L.A. County

La Congresista **Linda Sánchez** Desarrollando El Sueño Americano En El Condado De L.A.

"My parents arrived in this country without a cent, not knowing English and without a job. Yet, they overcame these obstacles to achieve the American dream. I am proud to be a product of their hard work and perseverance. As a voice for Latino families in Congress, I am fighting to protect social security, improve education and reform our immigration system."

"Mis padres vinieron a este país sin un centavo, sin saber inglés, y sin trabajo. Pero, superaron esos obstáculos para conseguir el sueño Americano. Estoy orgullosa de ser un producto del trabajo y perseverancia de mis padres. Como una voz de la comunidad Latina en el Congreso, estoy luchando para proteger el programa de seguro social, mejorar la educación, y reformar el sistema de inmigración."

Promoting Fair Immigration Policies

With more than 10 million undocumented immigrants, I believe our immigration system needs comprehensive reform. In Congress, I cosponsored the *SOLVE Act* (H.R. 4262) to allow hardworking immigrants to earn legalization and reunite families.

Promoviendo Pólizas Migratorias Justas

Con más de 10 millones de inmigrantes indocumentados, creo que nuestro sistema de inmigración necesita una reforma comprensiva. En el Congreso yo he apoyado la propuesta legislativa *SOLVE Act* (H.R. 4262) para darles a los inmigrantes un camino para obtener la legalización y para reunificar familias.

Opening New Doors For Higher Education

College is a gateway to opportunity and should be open to all hardworking students. To encourage enrollment from all socio-economic and ethnic backgrounds, I support the *DREAM Act (Student Adjustment Act)* allowing kids to attend college regardless of immigration status.

Abriendo Puertas A La Educación Universitaria

La universidad es una fuente de oportunidades. Por eso, deberíamos hacer todo lo posible para que cada estudiante pueda alcanzar su sueño de una educación universitaria. También yo apoyo la propuesta legislativa *Dream Act (Student Adjustment Act)* que permite a estudiantes asistir a la universidad a pesar de su estatus migratorio.

Making College Affordable For Everyone

The cost of tuition can often hinder aspiring and talented students. That's why I am working to make education affordable for all students. For information on scholarship and financial aid opportunities, please visit www.lindasanchez.house.gov

Haciendo Que Nuestras Universidades Estén Al Alcance De Todos

El alto costo de una educación universitaria a veces impide la matriculación universitaria de estudiantes talentosos. Por esta razón, estoy trabajando para asegurar que la educación este al alcance de todos. Para mas información sobre becas y ayuda financiera, visite mi sitio de internet:
